EXPERIENCE

Revature

Los Angeles, CA

Associate SAP EWM Consultant

August 2024 – October 2024

- Gained hands-on experience in both inbound and outbound logistics processes within the EWM framework
- Assisted in configuring SAP EWM modules, including setting up storage types, bins, and handling units
- Participated in gathering business requirements and translating them into system configurations
- Assisted in troubleshooting configuration issues and resolving system errors during project implementation

A Place Called Home

Los Angeles, CA

Associate

June 2021 – July 2022

- Oversaw website management, executing updates and implementing dynamic content to enhance user experience
- Efficiently identified and resolved website issues, such as typos, broken links, and formatting errors, ensuring smooth user experience
- Contributed to the creation and execution of an innovative social media strategy aimed at enhancing engagement levels, which resulted in a 20% increase in engagement within one month

RGIS

San Jose, CA

Retail Inventory Associate

January 2020 – July 2020

- Accurately conducted inventory counts for retail clients, helping maintain up-to-date records for stock control and minimizing discrepancies
- Collaborated closely with team members to complete detailed item counts efficiently, contributing to a smooth and accurate inventory process
- Verified data collected against previous records and inventory lists, identifying and correcting inconsistencies to ensure data reliability

PROJECTS

Pokémon Search App – [Project Page](#) | [GitHub Code](#)

- Developed a Pokémon search application that displays Pokémon's name, image, base stats, and additional data based on user-entered name or ID
- Utilized fetch method and freeCodeCamp's PokéApi for data retrieval

Quote Machine Generator – [Project Page](#) | [GitHub Code](#)

- Developed a random quote generator that returns a quote that users can share through twitter
- Implemented API Ninjas' Quotes API to generate a random quote
- Hid API key by using a dotenv file
